FOR THE ALUMNI OF SAINT JOSEPH'S COLLEGE

Vol. 12 - No. 6

Collegeville, Indiana

March, 1950

## LOGS FOR FUEL

Xavier Hall students use a power saw to cut logs which bolstered the diminished coal supply during the recent extreme shortage.

## John L. Teams Up With Winter To Force Vacation on St. Joe

The combination of John L. Lewis' miners' strike and February sub-zero weather finally caught up with St. Joseph's, and classes were dismissed for a four-day period at the conclusion of classes on Friday, March 3.

For a week before the enforced vacation Collegeville's coal supply was so low that it was combined with wood in the boilers to "stretch" it as much as possible. Crews of Xavier Hall students scoured the wooded sections of college-owned land for logs. Trees were sawed up and brought to the power-house to help heat St. Joe's halls.

Most of the students took advantage of the holidays to go home. Those who live at too great a distance remained on the campus and were housed in the Ad building and Dwenger Hall. To conserve coal the other residence halls were closed and only sufficient heat sent into the buildings to keep pipes from freezing.

Regular classes were resumed on Wednesday, March 8, and St. Joseph's coal pile was replenished the next day.

## Geology Group To Tour West

The Geology Department of St. Joseph's is sponsoring a 5,000-mile field trip through the Southwest during the Easter vacation. Going by automobile, the group, led by the Rev. Carl Niset and Mr. Steve Theodosius, will stop at such spots as Carlsbad Caverns, N. M., Grand Canyon, Garden of the Gods, Pikes Peak, Cave of the Winds, Victor Toeppe, St. Joe senior, has mapped out the trip and will write his honors thesis on the results of his observations.

Students who are not majoring or minoring in geology will also make the trip, but emphasis will be placed on items of interest to the geology students.

## Scholarship Exams Set

Arrangements for the 1950 Regional Scholarship Examinations have been completed, and announcements have been sent to over 700 high schools, primarily in Indiana and surrounding states.

For the second successive year St. Joseph's is offering scholarships to Catholic young men planning to enter college in September. The following are the rules governing eligibility:

- 1) Boys must have completed the prescribed courses for high school graduation by June, 1950.
- 2) Stand in the highest third of their class.
- 3) Meet the requirements for entrance into the freshman class.
- 4) Have the recommendation of their high school principal.

### Eleven Scholarships

One inter-regional scholarship will be awarded to the student making the highest score among all the contestants. This scholarship is for a four-year period and is valued at \$350.00 a year. There will also be two regional scholarships for each of the following regions: Northern Indiana and Michigan, Central Indiana, Southern Indiana and Kentucky, Illinois and Wisconsin, and Ohio.

According to the Rev. C. G. Kern, registrar, winners will be entitled to these scholarships as long as they remain at St. Joseph's and maintain a satisfactory scholastic average.

Deadline for applications has been set for April 8. The competitive examinations will be held on the campus, Saturday, April 15.

## North Central Gives Approval To St. Joseph's

Admission of St. Joseph's College to membership on the list of colleges accredited by the North Central Association of Colleges and Secondary Schools was announced by Secretary Norman Burns at the annual meeting of the Association in Chicago, Wednesday, March 22.

This favorable action by the Board of Review was based on a careful survey of the total program pursued at St. Joseph's, with special emphasis on such items as the following: institutional aims and purposes, graduate training of the faculty, organization and administration of the curriculum, quality of instruction and concern for student scholarship, faculty and student use of the library, physical plant and equipment, student personnel services, and the administration of intercollegiate athletics. St. Joseph's was ranked at the midpoint or higher on 53 of the 80 items that comprise the institutional score card.

Recognition by the North Central may be accepted as conclusive evidence that St. Joseph's is being conducted according to acceptable standards and approved educational practices. This, the largest of the five regional accrediting associations, has an approved list of more than 300 institutions of higher learning in the 20 states of its jurisdiction.

Membership in the North Central is voluntary and is not intended to curtail the individuality of a school in its objectives. In as much as accreditation is a form of approval based on merit, St. Joseph's membership in the regional association will facilitate the entrance of its seniors into graduate and professional schools throughout the country.

Encouraged by this mark of recognition, St. Joseph's is taking steps toward the further development and improvement of its educational resources and subsequent affiliation with national collegiate associations and standardizing agencies.

## General Returns To Eternal City

The Very Rev. Herbert G. Kramer, '27, Moderator General of the Society of the Precious Blood, who came to this country on a business trip in December, returned to Rome on Feb. 7. While in the States, Father Kramer resided at the Provincial Motherhouse at Carthage, Ohio, and visited the three educational institutions of the American Province.

## Chicago Club Sponsors Dance, Easter Night

An Easter dance will be sponsored by the Chicago Club on Easter evening at Faubel's Restaurant, 8043 S. Ashland Ave., Chicago.

Cook County Alumni are invited. Bids are \$1.50, and tickets for refreshments may be obtained just inside the entrance.

## Alumni Push Detroit Chapter

The Rev. Joseph F. Scheuer, instructor in sociology at St. Joseph's, was host to eight alumni of the Detroit area at the home of his parents in Detroit, Monday evening, March 13.

Endeavoring to lay the groundwork for the establishment of a Detroit Alumni Chapter, the Revs. Herber Weier, '24, Joseph Raible, C.P.P.S., '19, and Stanley Tuszynski, C.P.P.S., '41, and Messrs. Richard Heinlen, '10, Edward Purcell, '17, Edward Finan, '40, Jack Matthews, ex-'50, and Harry Martinbianco, ex-'50, discussed the past and present of St. Joseph's considered the current needs of alma mater, and made plans for enlisting support for St. Joseph's in the Detroit area.

Michigan alumni will be hearing more of the meeting. Those interested in assisting in the foundation of the new chapter may contact Mr. Harry Martinbianco, 6338 Desoto St., or Mr. Edward Finan, 18200 Archdale Ave., both in Detroit.

## Parents' Day Features Play

Sunday, May 7, is the date set for the second annual Parents' Day at St. Joseph's. The day was instituted to foster relationship among the students' parents and between the faculty and the parents.

Parents visiting the campus will be conducted through the Science Day exhibit of the Albertus Magnus Society, held on that date. The chemistry, biology, physics and geology departments will exhibit phases of work in their respective fields.

A late Mass will be celebrated in the College Chapel for the convenience of those who had no opportunity to attend earlier. The afternoon activities will feature the Columbian Players' production of Eugene O'Neill's drama, *Emperor Jones*, with Jack O'Brien and Mr. Ralph Cappuccilli in leading roles.

Tickets for parents' meals will be available throughout the preceding week.

## Noted Contralto Charms Audience At Recital Here

The rich contralto voice and charming personality of Anna Kaskas of the Metropolitan Opera Company quickly won her Collegeville audience, when she appeared here in a concert last Wednesday night. Miss Kaskas was the third artist in the current Speckbaugh Memorial Theatre Series.

Hailed by critics as possessing one of the world's finest contralto voices, Miss Kaskas presented a varied program of operatic arias and songs in French, German and English, including "O don fatale," from Verdi's *Don Carlos*; "Humble fille des champs," from the opera *Charles VI*, by Halevy; "Clorinda," by Morgan; Georges' "Hymne au Soleil;" "Der Schmied," by Brahms; and Head's "The Madonna's Lullaby."

Miss Kaskas was generous with encore numbers. Eight times she responded to curtain calls and delighted her audience particularly with her singing of "My Hero," from *The Chocolate Soldier*, and Bizet's "Habanera," from *Carmen*.

Mr. Walter Robert, an instructor in the College of Music, Indiana University, was Miss Kaskas' accompanist, and played "Schumann's 'At Night,'" and Chopin's "Waltz in A-flat" during the intermission.

## Spring Prom Features Maritime Theme, Gay Claridge's Band

With the date set tentatively for May 20, the Junior Class recently began preparations in earnest for this year's formal Spring Prom. A maritime theme will be used, with a big ship backdrop for the orchestra.

Gay Claridge and his music-makers, who have been engaged recently at Chicago's O. Henry ballroom and at the Martinique restaurant, will be on hand for Collegeville's biggest social event of the year. Bids for the dance have been priced at \$5.50 per couple.

The Junior Class extends an invitation to every alumnus to attend the 1950 Prom.

## Columbian Players Pick 'Emperor Jones'

The Columbian Players, St. Joseph's dramatic club, have chosen *Emperor Jones* as the next production on the Collegeville stage. Performance dates have been set for May 7-8, providing for one presentation on Parents' Day, May 7. Two performances will be given at Whiting, Ind. Although no date for these shows has been definitely scheduled, April 30 has been tentatively slated for an afternoon and an evening performance.

The play features striking stage effects, some of which are already under construction. Four mobile trees now await the finishing touches of the stage and prop crew.

## Provincial Visits Chilean Vicariate; Priests Assigned

Back from a five-weeks visitation of the Chilean Vicariate of the Society of the Precious Blood, the Very Rev. S. W. Oberhauser, '20, American Provincial, reports that the spiritual tempo in the vicariate, staffed by 15 Fathers of the American Province, is most gratifying. The work of the Fathers in Chile among the poorest of the poor is arduous, but already the fruits of the labors and sacrifices of the missionaries are becoming evident. In one parish alone statistics show 787 persons baptized and 200 couples married in the past year.

Father Oberhauser began the long return trip to the States on Feb. 7. He travelled by boat from Valparaiso to the Canal Zone where he visited Chaplain Stanley Meiring, '36, who is stationed at Coco Solo, C.Z. From there he flew to Miami, thence to Dayton by train, arriving there on Feb. 23.

Before leaving Chile, Father Oberhauser announced the following assignments: V. Rev. John Wilson, pastor, and Rev. Arthur Grevencamp, '40, assistant, Santo Domingo church, Santiago; Rev. John Hoorman, '36, pastor, and Rev. Carl Reikowsky, '40 assistant, Santa Familia church, Rio Negro; Rev. Samuel Homsey, '30, assistant, San Jose church, Santiago; Rev. Paul Buehler, '39, assistant, San Juan church, Pitrufrquen; and Rev. Alphonse Jungwirth, '37, assistant, San Sebastiano church, Purranque.

## President Names Committeeman

The Very Rev. Alfred J. Zanolar, president of St. Joseph's, has named the Rev. Henry A. Lucks, '21, professor at St. Charles Seminary, Carthage, and former president of St. Joseph's, as the third member of the executive committee of the Midwestern Chapter of the Alumni Association.

Father Lucks will serve with the officers who were elected on Feb. 15. The names of the new officers appeared in these pages last month.

## Albertus Magnus Plans Exhibits For Science Day

With Parent's Day definitely scheduled for May 7, the Albertus Magnus Society has begun preparations for its annual Science Day exhibit to be held in conjunction with the visit of parents to the campus. Tentative plans for the showing of motion pictures are still in the embryonic state, but four committees have been appointed for various exhibits and they are already at work.

Charles Greif and James Causland are chairmen of the Chemistry group, and Paul Pollack and Maurice Hamilton will direct the Biology exhibit. Fred Frisk, Wally Dal Santo and Philip Gilbert head the Physics committee, and Edward Tomko and Tom McNerney will carry on in the geological field.

## Carol Jackson Talks On Lay Apostolate

Last night, Miss Carol Jackson, founder and co-editor of the popular Catholic periodical *Integrity*, spoke to a St. Joe audience on "The Lay Apostolate." Miss Jackson emphasized the duties of Catholic lay persons in carrying the truths of the Church in our daily lives. The lecture was held in the recreational hall.

A convert of seven years, Miss Jackson wrote "Design for Christian Living," under the pen name of Peter Michaels.

## Alumni Quickies

A few years from now Thomas G. Medland, '26, National President of the Alumni Association, may have a reason to be driving to Collegeville to watch basketball games. His son, Tom Jr., is one of the members of St. Bridget's grade school team which copped the championship in a four-team tourney held in Logansport recently. If Junior grows as tall as his daddy, St. Joe's should have a promising center coming up . . .

**Dave Terveer**, '48, who stepped into a coaching job at his home parish High School, had his Decatur Catholic "Commodores" coming along in fine shape to the final tilt of the recent Sectional Tournament. Then, biff, the "Commodores" were stung 58-46 by the cross-town Decatur "Yellow Jackets." Better luck next year, Dave. . . . St. John the Baptist parish, Whiting, Ind., of which **Father John Lefko, C.P.P.S.**, '32, is pastor, can justly be proud of its new \$900,000 elementary school, dedicated by Bishop Noll of Ft. Wayne on March 5. The structure, reputed to be one of the most modern educational plants in the country, has 16 classrooms, kindergarten, library, administration offices, clinic and central control room. The first floor is given over to accommodations for recreation and social entertainment. . . . The distinction of being the first athletic manager listed in the records of St. Joseph's goes to the **Rt. Rev. Msgr. Edward Vurpillat**, '06, who managed the baseball team of that year. The record was tops with eight victories against one defeat. . . . **Aloys Link**, ex-'10, who managed the team in 1909 when it went to darkness in a 14-inning 2-2 tie game, now has a son, Paul, in the pre-philosophy department. . . . **Frank Staucet**, '49, stopped at St. Joe's on his way to New Orleans to join the Pelicans' training camp. Last year with Albany in the Eastern League Shortstop Frank hit at a .259 clip, 37 of his binges going for extra bases. We congratulate this Whitingite on his advancement to an AA league club; we look for him to appear in a major league line-up in a year or two. . . . **Father Norman Koller, C.P.P.S.**, '32, has been named administrator of a new parish, Visitation B.V.M., at Shippensburg, Pa. with a mission at Doylesburg. He will take up residence there as soon as he can find living quarters. . . . How **Paul W. Schlueter**, ex-'17, could ever desert the town of Milwaukee, home of "Schlitz" which he made famous while at St. Joe from 1914 to 1916, will always remain a mystery to us. He is now located in another small town by the name of Chicago, also fronting on Lake Michigan, and our guess is that Paul struck up an acquaintance with the **Sieben** brothers, **Clarence**, '23, and **Oscar**, '25, tasted some of their product, and decided to move closer to it. . . . Speaking on the Precious Blood Missions in Chile, South America, **Father Norbert Sweeterman**, '40, addressed the C.S.M.C. of Dayton, Ohio, on March 14. Procurator for the Society's missions, Father Norb presents movies to illustrate his lectures. . . . Aviation Cadet **Thomas L. Distel**, '49, was recently assigned to the Ellington Air Force Base at Houston, Texas. Tom has begun an extensive course of training to qualify as navigator-officer in the U.S. Air Force. Radar is his special field. . . . Midland, Texas reports the addition of a new citizen recently, since a bouncing boy, Mark, came to live with **Chester Skrabacz**, '47, and the Mrs. Papa Chester, who has a swell job with Standard Oil down Texas way, thinks the youngster is headed for the field of geology. . . . The 1950 Rodeo Edition of **The Arizona Daily Star**, Tucson, carries a feature article by **Joseph M. Collier**, '49. Joe was editor of "Stuff" in his Junior year at St. Joe. . . . On April 26th the **Rev. Clarence A. McGinty**, '19, will have a broader grin than ever when he celebrates his Silver Anniversary of Ordination at Holy Family church, Canute, Okla., and will be very happy to have alumni friends join him on that occasion. Father McGinty is pastor at Canute and Promotor Justitiae in the diocese of Oklahoma City-Tulsa. . . . **Robert L. Simonis**, ex-'50, who received his B.S. in Sociology at Loyola of Chicago on Feb. 1, in giving information to the Alumni Office writes, "I have noticed through discussions with educators in this area that St. Joseph's is becoming more and more respected for its scholastic endeavors and achievements" Bob married Genevieve Moosmiller, a Rensselaer girl, in St. Augustine's church, in Sept 1949. . . . **Lincoln Piotrowski**, '43, is going all out as a promoter of the Homecoming football game. Annually he will present a full-sized gold-plated football, mounted on a plastic base, to the outstanding Puma player in the fall classic. Details of the award will be published later. . . . The 1950 edition of "Who Knows and What," which carries the names and short biography of 16,000 authorities on all subjects in all fields, lists the **Rev. John W. Baechle**, '30, associate professor of Biology at St. Joseph's. Father Baechle is widely known for his lectures on birds which are accompanied by slides from his own photography. . . . In reply to his class secretary's letter, **Robert Romweber**, '26, comes through with the information that he is a Batesville, Ind., furniture dealer and designer. His hobbies are three boys and two girls.

St. Joe Ends
Cage Season
With 8-14 Mark

Illinois Wesleyan and St. Norbert's put the finishing touches on a drab basketball season for St. Joseph's by handing the Pumas defeats. The 73-56 pasting by Wesleyan, along with the 91-74 slaughter by St. Norbert's, gave St. Joe's quintet a season record of eight wins and 14 losses.

George Peters and Ray Patterson managed to salvage 12 points each from the Titan tussle, while Big Steve Zebos was pumping in 18 points for the victors.

Golf, Tennis Teams
Slate '50 Matches

Matches with eight Indiana opponents and competition in the Little State are awaiting the Puma Golf and Tennis teams for 1950. Dates of two of the matches are not yet final.

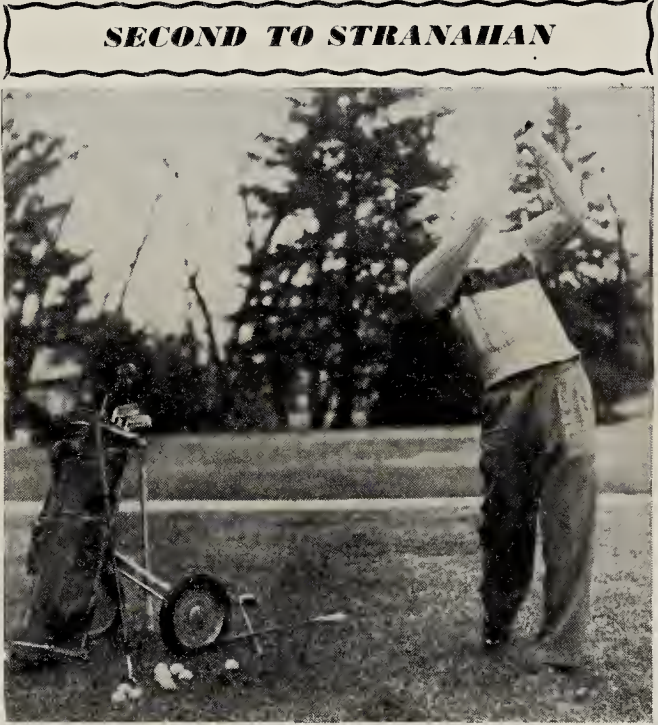

Practice for both teams will begin as soon as the weather permits. Five members of last year's links squad are expected to return. They are Tom McEnerney, Charles Gerst, Harold Wallace, Bill Miller, and Don Schubert. The Rev. Marcellus Dreiling is hopeful that many frosh golf aspirants will report for opening practice.

The Rev. Edward Roof has announced that schedule cards of all spring competition will be given to the students in the near future.

Table with 2 columns: Date, Opponent. Rows include April 14-Valparaiso, April 18-Wabash, April 25-Wabash, etc.

Coach Dick Scharf surrounded by his Freshman basketball team on whom he pins hopes for strong cage squads in coming seasons. Top row: Charlie McDermott, Tom Schnieders, Tom Saxelby, Ed Morrissey, Mike Bateman, and Bill Elbert. Bottom row: Bob Soderstrom, Ed Amond, Bob Reutebuch, Mentor Dick Scharf, Lynn Tabaka, and Ed Cavanagh.

Ed Cavanagh displays the form which enabled him to win two Arizona golf titles, set a course record, and finish second to Frank Stranahan in the 1948 Phoenix Open.

Golf Squad Given Shot in Arm
By Title-Loaded Dr. Cavanagh

Ed Cavanagh was only 11 years old when he began banging a little white golf ball around the Encanto Municipal golf course of Phoenix, Arizona, but the lithe lad has come a long way since his caddy days. And the St. Joseph's golf team is hoping he keeps up the pace this spring.

Ed was born in Chicago and lived in Los Angeles for six years before his parents settled at Phoenix when Ed was 11 years old. While caddying at Encanto, Ed picked up the fundamentals of golf and it got in his blood to stay.

I've played golf just about every day for the last 10 years... that's including winter. It seldom gets too cold to play golf in Phoenix," said Ed. "One day I started out at five o'clock in the morning and played 72 holes. It was dark when I finished."

Racks 'Em Up
With all that practice, it's no wonder Ed has annexed two golf titles and broken a course record. Cavanaugh walked away with the Phoenix City Jr. Championship in 1944, came in second to Frank Stranahan in the 1948 Phoenix Open, and won the Encanto Invitational in 1949. He also journeyed to the Hasajampa golf course in Prescott, Arizona long enough to set a course record of 67 in 1948. Par for the Hasajampa "18" is 74.

Pumas Meet Purdue in Twin-Bill;
Boast Good Defensive Infield

BY BOB BRAITHWAITE

"We're going to need a strong defense if we're to win many games this year."
Coach Dick Scharf issued this dire prediction last week as he worriedly scanned the "spring training" roster of his St. Joe Pumas.

Table with 2 columns: Date, Opponent. Rows include April 4-Purdue, April 6-Purdue, April 18-Wabash, etc.

"When Mike Beaven didn't return to school this fall, we lost our most consistent long-ball hitter. As it stands now, a few of the boys can get a lot of hits, but there's no real power. That defense will have to come through."

Good Defensive Infield
However, all is not woe in the Puma camp. Of the 40 candidates for baseball monograms, 14 are veterans.
"Our strongest departments are going to be the infield and catching. In the infield, the return to health of shortstop Keller Riede will really help. With four-year veteran Clarence Kuhn at first, John Barrientos shifted to second, and the now-eligible Bill Taylor at third, it'll be a pretty good defensive setup.

Extramural Crown
Goes to Loras;
St. Joe Is Second

Taking firsts in volleyball and table tennis, and a second in basketball, St. Joseph's contingent in the Midlands Conference Extramural meet finished second with 13 points. Points were scored on a basis of five points for each first place and three for each second.

Loras, winner of the tournament trophy for the second straight year, garnered 18 points by winning tournaments in basketball, bowling, and table tennis doubles, and a second in volleyball.

Sweet Barry
John Barrientos, a St. Joe junior from Van Wert, Ohio, won the Midlands Conference singles title in table tennis for the third straight year. In the semi-finals he downed a Loras opponent, 21-17, 24-22; and in the finals won over the St. Norbert entry, 21-15, 21-17, 21-15.

In the table tennis doubles the St. Joseph team of Stasko-Malone was eliminated in the semi-finals by St. Norbert.
The St. Joe volleyball team won its semi-finals match with St. Ambrose, 16-14, and 21-4. In the finals it defeated Loras, 14-7; 11-15; 12-8. Members of the team were Ernie Stockman, Jerry Garren, Bob Doyle, Don Tesmond, Harold Boudreau, and Charles Gorman.

J-Boys Second
In basketball the Puma's entry, the intramural J-Boys, led throughout in topping St. Norbert, 49-23, in the semi-finals. Pat Gavin collected 13 points and Jerry Leahy 10. In the finals Loras got off to an early lead, having a 22-14 head at halftime, and took first place with a 49-43 win. Bud Greif had 13 points and Chet Kusek 10 for the Pumas. Other members of the team were Ron Miniati, Roy Stone, Don Quinn, Wally Moore, Tom Quinn, and John Frawley.

Hindered by poor alleys the Puma bowling squad didn't fare too well, coming in last with a three-game series of 2217. The standings were determined by the total scores of each team in the series. Loras had a 2377 total, St. Ambrose 2349, and St. Norbert 2254. The St. Joe team had game totals of 709, 718, and 790.

Table with 2 columns: Rank, Team. Rows include 1. Loras, 2. St. Joseph, 3. St. Norbert, 4. St. Ambrose.

Members of the volleyball team and Barrientos were awarded trophies for winning their respective titles. The basketball team was presented with medals.

Sixteen Lettermen
Show for Football;
Two Scrimmages Set

Forty-four hopefuls answered Coach Dick Scharf's call for spring football practise with 16 lettermen among the squad. Fundamental practise started March 8. Scrimmage games have been planned for March 26 and April 2.

Scharf said that he would stress stance starting, blocking, tackling, and basic plays during the first few weeks of drilling. "One thing I wish to do is to outline each position and describe what each player must do to be a success at his position," said Scharf.

Team Play
The final two weeks will find the Puma gridders concentrating on line and backfield play, working together as a team. Scharf also has a few new plays which he hopes to work out during these last few weeks

Looking over the 44-man roster, Coach Scharf finds that he has 24 freshmen, 14 sophomores, 2 juniors, 2 seniors, and 5 transfer students to work with. According (Turn to Page 4)

## Forty Hours Devotion Held In Local Chapel

The Forty Hours Devotion, held in the College Chapel, Feb. 24 to 26, was closed with solemn ceremonies, Sunday evening, Feb. 26.

Celebrant was the Rev. Edward Fallon, pastor of St. Joseph's church, Kentland, assisted by Fathers Wuest and Marcellus Dreiling. Preceding the procession with the Blessed Sacrament, Father Heiman and a quartet of Xavier Hall singers chanted the Litany of the Saints. Priests of the faculty, visiting clergy, seminarians and brothers, holding lighted candles and chanting the "Pange Lingua," walked in the procession.

Solemn Benediction and the singing of "Holy God" concluded the three-day devotion.

## De Minstrel Show's Comin' to de Campus

St. Joseph's Glee Club, in collaboration with the Columbian Players, will present a minstrel show on the Collegeville stage next month. Try-outs on Friday, March 10, resulted in complete casting for the speaking roles of the show. Glee Club members will form the chorus, and the college dance band will make music from the pit.

Tentative dates set for the performances are April 15 and 16. Utah Cummings was chosen to play "Mr. Interlocutor", while Dave Coady, Tom O'Rourke, Bill Coyne, Bob Gregoire, Hugh Rossi, and Bob Nelson are end men in the production.

## St. Francis, Barat Send 102 Students To March 17 Dance

Friday night, March 17, was the date and the Rec Hall was the site of the latest Student Council sponsored dance. Although these dances, originally planned for every other week end, were cancelled for the Lenten season, St. Patrick's Day was considered exceptional enough to warrant the holding of one on that feast.

Girls from St. Francis College of Joliet and Barat College, near Chicago, were invited to come to St. Joseph's for the affair. Altogether, St. Joe men had 102 dancing partners for the hop, 42 coming from St. Francis and 60 from Barat.

Mr. and Mrs. Kenneth Marin were host and hostess.

## 'Song at the Scaffold' Shows Good Acting, Stage Technique

"Song at the Scaffold," by Emmett Lavery, is a well-wrought play, and its performance here last Friday night by the St. John Drama Club was an expert one. The parish group from Whiting, Ind., showed the Columbian Players some stage technique which will be hard to match when the local club stages "Emperor Jones" in Whiting, April 30.

## Bad Weather, Inside Facilities Hamper St. Joe

Dick Scharf and his baseball squad travel to West Lafayette next Tuesday and Thursday to meet Purdue University in both teams' season openers. And these will be two games in which Coach Scharf will have his hands full.

Discounting the fact that the Pumas dropped a 17-2 decision to the Boilermakers last year, the St. Joe team is sadly lacking hitting and fielding practice. The inclement weather has hampered the squad from getting out into the open to take cuts at the ball, and work in the infield and outfield.

### No Inside Facilities

Scharf is faced with the sad fact that there are no facilities here with which to take inside batting practice and fielding drills. On the other hand, Purdue has a nice, large field house in which to work.

Scharf made cuts last week and more are expected before he gets his outfit down to the 15-player mark. Thus far St. Joe practice sessions have consisted merely of calisthenics and pepper games. The pitchers have also been able to do a little practice pitching.

Charlie McDermott, freshman hurler, is being counted on to bolster a weak pitching staff. McDermott may be the man Scharf is counting on to fill a stopper role of his present corps of Cy Bohney, Charlie Gorman, and Don Tesmond.

## McAvoy and Giacomini Win Pinochle Prizes

The final games in the pinochle tournament sponsored by the Student Council were played on Wednesday, March 8, in the recreation hall. Hugh McAvoy and Lou Giacomini were the winners, walking away from their competitors in the three-day play to take the first prize, a Ronson cigarette lighter for each of them. John Schulte and Don Schubert took second place honors, each winning a burnished copper mug. The mugs and the lighters bore the St. Joseph's College insignia.

"Song at the Scaffold" is the story of the Nuns of a Carmelite community in the days of the French Revolution. The heroine is a novice who at first is maddened by the fear of martyrdom, but finally overcomes her fear and is executed.

Mary Mores, as Blanche, the heroine, was quite convincing. Aply supported by a large cast, she gave pathos and poignancy to her role. Also outstanding were Mary Moldraski as Sister Marie, Lillian Jefchak as the tiny, smiling Sister Constance, and Irene Gregorovich as the swivel-hipped young dancer.

"The Mob" was a sight to behold. Some 20 actors and actresses wore the ragged, colorful costumes of the French peasants who wildly upheld the revolutionary doctrines, only later to kill for the sake of killing. They yelled, screamed, danced and even marched through the aisles upon hearing of the condemnation of Louis XVI.

Mrs. Paul Monastyrski directed the 14-scene play. There was evidence of much work in the costume and scenery departments. Costumes, settings and recorded mood music added extra touches of good impressionism.

Several members of the Columbian Players aided the St. John Club in erecting the set. An informal party for both clubs in the Rec Hall followed the performance.

## Lewis College Enters Midlands Conference

Lewis college of Science and Technology, Lockport, Ill., has been accepted into the Midlands Conference.

In a meeting of the conference's executive committee held March 18 at Loras College, Dubuque, Iowa, the school was approved for full conference privileges. Quincy College of Quincy, Ill., was also represented at the meeting, held on the occasion of the third annual extramural conference tourney.

### Fifth Team

Lewis College thus becomes the fifth team of the Catholic College league, joining St. Norbert, West DePere, Wis., St. Ambrose, Davenport, Iowa; Loras; and St. Joseph's; and has been added to the schedules of each of these schools for the 1950 season. Its head football coach is Ray "Scooter" McLean, former backfield star of the Chicago Bears.

The Most Rev. Bernard J. Sheil, Auxiliary Bishop of Chicago, is President of the all-male institution. Prior to this year, the school was a junior college.

Members of the executive committee of the conference are: Rev. D. B. Coyne, President, Loras; Rev. T. G. Fox, Vice-president, St. Norbert; Rev. E. M. Roof, Secretary-Treasurer, St. Joseph; Rev. Thomas McAuliffe, St. Ambrose; and Rev. J. A. Sheeran, St. Joseph.

## Sixteen Lettermen

(Continued from Page Three)

to positions there are 9 ends, 4 tackles, 8 guards, 3 centers, 9 quarterbacks, 8 halfbacks, and 4 fullbacks.

### 16 Lettermen

Returning lettermen include: ends: Pat Gavin, Ed Schultheis, and Bill Ferguson, tackles: Joe Brosnahan, Mike Kacmar, and Bert King, guards: Ed Cobett and Jim Noll, center: Tony Bowles, and Jerry Wenzel, halves: Bob Lamkin, Don Schubert, Ray Biller, and Ernie Bidwell, fullbacks: John Frawley and Norb Hummel.

## Between Halves

BY BUD CLARK

IT'S A BIT EARLY to be sizing up St. Joseph's baseball chances this year, but on the basis of last year's showing the Pumas will need more punch at the plate. Tom Quinn was the only man to hit over .300, and he played in only half the games, splitting the catching duties with Bud Greif. On the defensive side the Pumas seem to be set in the catching department as well as at first, short, and third. Only two outfield berths look well-fortified.

PITCHING WILL BE WEAK unless mentor Dick Scharf can come up with some new finds. The only mound returnees are Don Tesmond and Charlie Gorman. Cy Bohney may pitch or may play outfield, but Cy would like to stick to one or the other. Clarence Kuhn looks like a fixture at first, with Keller Riede at short and John Barrientos at either second or third. There will be a fight for the other infield spot, with Reid Mackin or Bill Taylor getting the nod.

WALLY MOORE AND JERRY LEAHY look like sure cinches to corral outfield berths. Moore didn't do badly with the stick last year, and Leahy proved to be one of Scharf's best defensive outfielders. Bob Doyle showed promise and will probably make the grade, if Bohney decides to stick to pitching.

KUHN AND BOHNEY were Scharf's best hitters two seasons ago but dropped considerably last year. Should the two hit their stride this season, it would make a big difference in the outlook of things. The team is only in the calisthenic stages. How things will shape up by game time remains to be seen.
